Last update: 8:47 a.m. EDT April 23, 2009

BOSTON, April 23, 2009 /PRNewswire via COMTEX/ -- The Boston Business Journal has named AVID Technical Resources as one of the region's fastest-growing private companies in its third annual Pacesetters awards. The honor recognizes the IT recruiting company's significant growth in revenue and over the past three years compared to other privately held companies in the area.

AVID Technical Resources made the Pacesetters list based on information gathered and assessed by the Boston Business Journal that detailed the company's performance from 2005 to 2008.

AVID Technical Resources

(www.avidtr.com) is a contract and permanent Information Technology recruiting company. Headquartered in Boston, Massachusetts, over the past three years the company has made hundreds of national placements for clients ranging from small businesses to Fortune 500 companies.

"We're honored to be recognized for the second consecutive year," said Principal Owner, Brian Tomasello. "We have not only proven to be a leader in the IT staffing industry, but this award highlights that we're also one of the top up and coming companies in the entire Boston area."

"Pacesetters was created because it's important to raise the profiles of rapidly growing companies," said Boston Business Journal Publisher Michael Olivieri. "This will help give guidance to the business community as a whole as to what makes a company successful and who they should be seeking out as potential partners."

These top-rated companies were honored at the Boston Business Journal's Pacesetters Awards breakfast on April 17th at the Park Plaza hotel. The 60 companies were counted down and the No. 1 fastest-growing private company in the region will be revealed. Executives from these companies also shared their ideas on what made them successful and what they hope to achieve going forward.

The Pacesetters list was determined by survey information gathered and analyzed by the Boston Business Journal from private companies throughout the Greater Boston region. Based on the information provided, 60 companies were selected on their revenue growth between 2005 and 2008, which had to exceed at least \$1 million as of 2005.
