AVID Technical Resources Announces the Opening of Denver, CO Office

Denver is the Company's 9th Office

BOSTON, MA, June 07, 2017 /24-7PressRelease/ – AVID Technical Resources announced today that the company has opened an office in Denver, CO, marking the company's 9th national location. AVID recently opened offices in Dallas, TX and Chicago, IL last year.

Denver expands the company's west coast presence. In addition to Denver, AVID has a location in Seattle, WA as well as offices in San Francisco, Los Angeles, and San Diego, CA.

"Denver is a great city that is evolving into one of the stronger tech markets in the country," said principal owner Brian Tomasello. "Therefore, it made sense for us to establish an office here and ultimately add to our national footprint."

AVID Technical Resources is an information technology recruiting firm headquartered in Boston, MA. The company has grown in revenue year over year since its founding in 2003. This continued growth has triggered numerous awards and national recognition. Inc. Magazine has named AVID three times to their exclusive 500/5000 list of Fastest Growing Private Companies in the US and Staffing Industry Analysts ranked AVID one of the Fastest Growing staffing firms in the nation. Perhaps most importantly, AVID has received over 100 five-star reviews online from satisfied clients and candidates.

AVID plans to continue their aggressive national expansion with future offices planned for Raleigh, NC, Jacksonville, FL and Washington, DC. In addition to building a strong national presence, AVID Technical Resources is also committed to building excellent corporate culture. The company was recently honored as a winner in the national contest for Entrepreneur's Top Company Cultures 2017.
