"We're honored for the recognition as it reflects upon the hard work and dedication of every one of our employees," said AVID Principal Owner, Brian Tomasello. "In just over five years, AVID has shown tremendous growth. We're excited for the future as we continue to focus on opening additional offices in strategic cities across America."

"The selected providers truly distinguished themselves during our evaluation of the industry," said James King, Analyst, Goldline Research. "Those selected met or exceeded every expectation we have for a holistic, client-centric approach"

AVID (Applications, Voice, Internet, Data) Technical Resources is a contract and permanent Information Technology technical recruiting agency. Headquartered in Boston, AVID has hundreds of IT consultants working nationwide for clients ranging from small businesses to Fortune 100 companies. Since its inception in 2003, the firm has grown to be among the fastest growing IT staffing companies in the country and was recently named the 7th Fastest Growing private company in Massachusetts. Specializing in placing contract and permanent personnel in both Infrastructure Support and Applications Development positions, AVID was also recently named one of the Fastest Growing Private Companies in the Boston area.

Goldline Research is a third-party, independent research firm specializing in evaluating professional services providers. Goldline Research undertakes an extensive, in-depth research process to review all qualified candidates in a respective area. Its proprietary research process

includes individual interviews and quantitative analysis of key data, as well as customer reference checks to confirm high levels of customer service. Those that earn Goldline Research's designation demonstrate a commitment to service unparalleled in their industry.
