AVID Technical Resources Opens Nashua, NH Office

October 14, 2008, 9:01 AM

BOSTON, Oct. 14 /PRNewswire/ -- AVID Technical Resources (<http://www.avidtr.com>) announced the opening of their Boston North office in Nashua, NH this week. This is the 3rd office AVID has opened over the past year joining AVID Metro West in Marlborough, MA and a location in Columbus, OH.

"AVID North is a strategic move for our company," references AVID's Principal Owner, Brian Tomasello. "It will allow us to not only service clients located north of Boston, and those in the states of New Hampshire and Maine, it will also provide us with the opportunity to attract internal talent who otherwise would not commute into the city." Tomasello also adds, "With AVID North and AVID Metro West, we're reinforcing our commitment to focus on the local market. In time we'll complete the footprint with an AVID South office likely located in Rhode Island."

Earlier this year, AVID was named the 10th largest Temporary Placement Firm in Massachusetts and the 7th Fastest Growing Private Company in the state.

AVID (Applications, Voice, Internet, Data) Technical Resources is a contract and permanent Information Technology technical recruiting agency. Headquartered in Boston, AVID has hundreds of IT consultants working nationwide for clients ranging from small businesses to Fortune 100 companies.

Since it's inception in 2003, the firm has grown to be among the leading staffing agencies in Massachusetts. Specializing in placing contract and permanent personnel in both Infrastructure Support and Applications Development positions, AVID Staffing has grown over 400% in the past 4 years.
