## AVID Technical Resources Recognized As One of Massachusetts' Largest Temporary Placement Firms for the Second Straight Year

Boston Business Journal's Annual Pacesetters Award Honoree

BOSTON, June 25 /PRNewswire/ -- The Boston Business Journal has named AVID Technical Resources as one of the region's largest Temporary Placement Firms in the Massachusetts area for the second straight year.

AVID Technical Resources ([www.avidtr.com](http://www.avidtr.com)) is a contract and permanent Information Technology recruiting company. Headquartered in Boston, Massachusetts, AVID specializes in placing contractors with an applications development or infrastructure support background. Over the past five years, the company has grown at an astonishing 1500%.

"We're proud of our achievements," said Principal Owner, Brian Tomasello. "Hard work is the very foundation of AVID and is exactly what will propel our future growth. Our numbers thus far in 2009 are even stronger than they were in 2008. This is probably the biggest reflection of our capabilities and where the company is heading. If we're growing in an economy as difficult as this, I'm very excited to see what the future holds for us."

AVID Technical Resources currently has an office in Boston and another in Marlboro, Massachusetts. The company has aggressive plans to add two more offices in New England over the next year before expanding to Mid-West and Southern states. Goldline Research recently listed AVID as one of the leading staffing agencies in the Northeast, US.
