Company is Lauded for its Excellence in Human Resources

BOSTON, MA, December 15, 2015 /24-7PressRelease/ -- AVID Technical Resources has been recognized as a winner of the national contest for the Best and Brightest Companies to Work For.

AVID Technical Resources was selected for this honor by an independent research firm's findings. Participants were evaluated by direct employee feedback on qualities such as work-life balance, diversity, compensation, benefits, and employee engagement.

"We're always proud to receive various awards as it's a reflection of our team and the hard work they put forward," says Principal Owner Brian Tomasello. "However, when the recognition is based on such positive internal feedback, it makes it even more special."

AVID Technical Resources has become one of the leading IT recruiting firms in the country. Headquartered in Boston, MA, the company has posted year over year growth since their inception in 2003.

The continued growth has triggered numerous awards and national recognition. Inc. Staffing Industry Analysts ranked AVID one of the Fastest Growing staffing firms in the nation and Forbes Magazine named AVID one of the leading staffing agencies in the Northeast.
