AVID Technical Resources Wins a Spot on Entrepreneur's Top Company Cultures 2017 List

Company Recognized for its Excellent Corporate Culture

BOSTON, MA, February 22, 2017 /24-7PressRelease/ -- AVID Technical Resources has been recognized as a winner in the national contest for Entrepreneur's Top Company Cultures 2017.

AVID Technical Resources was selected for this honor by Entrepreneur Magazine. Winners were chosen based on employee feedback collected and scored by culture management software Culture IQ. Employee surveys requested feedback about major areas of company culture, including collaboration, communication, performance focus, and mission and value alignment.

"We're extremely proud and protective of our culture here at AVID," says Principal Owner Brian Tomasello. "We have a unique environment where all of our people are hard-working and driven to be successful, yet each is willing to help one another out at a moment's notice. Our culture is what truly distinguishes our company and ultimately is a big reason for our success."

In addition to building a strong company culture, AVID Technical Resources has spent the last few years building a strong national presence. The company recently opened an office in Minneapolis and Chicago this past fall, as well as Dallas, TX last summer. AVID has 10 offices across the country with future offices planned for Denver, CO; Raleigh, NC and Washington, DC.

AVID's continued growth has triggered numerous awards and national recognition. Inc. Magazine has named AVID three times to their exclusive 500/5000 list of Fastest Growing Private Companies in the US. Staffing Industry Analysts ranked AVID one of the Fastest Growing staffing firms in the nation and Forbes Magazine named AVID one of the leading staffing agencies in the Northeast. Perhaps most importantly, AVID has received over 100 five-star reviews online from satisfied clients and candidates.
